

**When you choose to LIVE UNITED, you choose to be a change maker. A team player. A helping hand.**

**Resilient: Having the skills, knowledge and ability to overcome obstacles.**

We asked for the input and ideas of our community. You spoke and we listened, creating new goals. These goals all circle around one theme: creating a resilient community. Building resilience will strengthen our neighbors and our community to make a bright future under any circumstance!

With your donation and partnership, we will strengthen the Greater Helena Area because we believe in putting local dollars toward local solutions. Your gift will help us make the following goals a reality:

**Education**

**Children will be ready for school.**

**Basic Needs**

**Homelessness will be rare, brief and non-recurring.**

**Health**

**Community mental health will be improved.**

**Financial Stability**

**Individuals will have increased financial stability.**

While we continue to work toward these goals, our team will engage with our community in new and innovative ways. The work we will build upon includes:

Powering volunteerhelena.org, building a sense of connection among our neighbors and improving community mental health.

Housing an average of 3 people per week to make homelessness rare, brief and non-recurring through strategic collaboration.
